Re: SCDHS-EHD Site #00002640
Second Quarter 2006 Groundwater Monitoring Event
Site Location: 3705 Gravenstein Hwy. South, Sebastopol, CA

Dear Ms. Bering:

In accordance with the guidelines of the California Regional Water Quality Control Board, SOMA will be conducting a groundwater monitoring event at the above referenced site. The purpose of this monitoring event is to check the site's overall groundwater conditions.

SOMA has scheduled to monitor the subject site on May 17 & 18, 2006. Sometimes, however, unforeseen events may cause us to reschedule the date. Should this be the case, you will be notified immediately.

If you have any questions or comments, please contact Mansour Sepehr or me at (925) 734-6400.

Sincerely,

Tony Perini
Senior Project Engineer
